

THURSDAY SCIENCE CLUB

ALL THINGS CARS

March 2nd 10am - 12.30pm
March 9th 10am - 12.30pm
March 16th 10am - 12.30pm
March 23rd 10am-12.30pm
March 30th 10am - 12.30pm

**At Bloodhound Education
Centre GL13 9FB**

**For children of age 7 - 14
years**

**Children 8 or under must be
accompanied by an adult**

In this half-term you will design and build a variety of cars and test different designs to maximise stability. You will investigate the science behind the activities, covering aerodynamics and drag; make predictions about how the cars will perform. You will also explore the challenges and technology around sending humans to Mars and how to land safely.

**Rocket
Cars are
back!!!**

£50 PER CHILD FOR ALL 5 SESSIONS

**To book a place
