Monday Engineering Club

Automotive Engineering All Things Cars

Explore engineering whilst having fun and build skills confidence in a safe and supportive learning environment.

18th	September	1.30pm - 4pm
25th	September	1.30pm - 4pm
02nd	October	1.30pm - 4pm
09th	October	1.30pm - 4pm
16th	October	1.30pm - 4pm
23rd	October	1.30pm - 4pm

For children of age 7 - 14 years

Children 8 or under must be accompanied by an adult

**At Bloodhound Education
Centre GL13 9FB**

Develop engineering skills by designing and building prototype cars. Test your cars on a variety of surfaces and modify your designs to improve further.

These sessions allows you to experience and learn from the engineering cycle, testing your solutions and improving them interactively.

£72 PER CHILD FOR THE 6 SESSIONS

**To book a place email
accounts@bloodhoundeducation.com**
